Dear Mr. Oringer:

Subject: Evaluation of the T-Mobile Hahaione Valley Commodore Condominium HI01159B Wireless Antenna for Exclusion from Section 106 Review under the Nationwide Programmatic Agreement for the Collocation of Wireless Antennas, Stipulation V.A.1 and V.A.2

At the request of Hawai'i Environmental Consultants, LLC, *T. S. Dye & Colleagues, Archaeologists, Inc.* is providing information to address the Federal Communications Commission National Environmental Policy Act compliance evaluation based on Stipulation V.A.1-4 of the Nationwide Programmatic Agreement for the Collocation of Wireless Antennas on a Building or Non-Tower Structure Outside of an Historic District (NPA).

T. S. Dye & Colleagues, Archaeologists, Inc. was requested to address Stipulations V.A.1 and V.A.2 of the NPA. Stipulations V.A.1 and V.A.2 state:

- A. An antenna may be mounted on a building or non-tower structure without such collocation being reviewed under the consultation process set forth under Subpart B of 36 CFR Part 800, unless:
- 1 The building or structure is over 45 years old; or
 - 2 The building or other non-tower structure on which the antenna is to be mounted is located (a) inside the boundary of a historic district, or (b) outside, but within 250 ft. of the boundary of a historic district, and the antenna is visible from ground level anywhere within the historic district.

Stipulation V.A.1–2 Evaluation:

Site Name: T-Mobile Hahaione Valley Commodore Condominium HI01159B Wireless Antenna.

Site Location: Commodore Condominium, 555 Hahaione Street, Honolulu, O'ahu Island, Hawai'i (Attachment A).

TMK: (1) 3–9–070:006.

Stipulation V.A.1: Review of publicly accessible data from the City and County of Honolulu Building Department and from property tax records, indicates that Commodore Condominium was built 1982, making the building less than 45 years old. Information was accessed via the City and County of Honolulu websites (<http://gis.hicentral.com/> and <http://www.thehawaiiestatecondoguide.com>).

Stipulation V.A.2: According to the National and State Register of Historic Places, the T-Mobile Hahaione Valley Commodore Condominium HI01159B Wireless Antenna is not located within the boundary or within 250 feet of the boundary of a known historic district. Information was accessed via the State Historic Preservation Division website (<http://hawaii.gov/dlnr/hpd/hpgreeting.htm>).

According to Stipulation V of the NPA, the T-Mobile Hahaione Valley Commodore Condominium HI01159B Wireless Antenna does not require a NHPA Section 106 review.

If you should have any questions, please feel free to call me at 529-0866.

Sincerely,

Thomas S. Dye
President
